

# **COMBINED FEDERAL CAMPAIGN: GIVING AT WORK**

Every year, individuals employed by the federal government conduct a fund-raising drive at their places of work. It is called the Combined Federal Campaign (CFC).

This campaign allows federal employees and military personnel to designate gifts to benefit numerous nonprofit organizations.

**StreetLight Community Outreach Ministries, Code #89844**, is one of the organizations that participate in the CFC campaign. StreetLight is dedicated to serving the poor and homeless by providing food for the hungry and supported housing for the homeless. We hope you will choose StreetLight when making your workplace giving selections.

**We truly appreciate your support!**

Your gift will help make a lasting difference in the lives of impoverished families and people who are destitute!
